

Get Started

We are so excited to have you join us in our fight to find a cure for pediatric cancer! Whether your life has been personally touched by childhood cancer or not, you can help to save the lives of countless children just by doing what you love!

Getting started on your Miles For Gold journey is easy! Simply go to <http://www.oliviacaldwellfoundation.org/miles-for-gold.html> and sign up as a “Fundraiser.” The site will automatically issue you your own login that will allow you to post updates. If you need assistance please contact OCF and we can set up your campaign site for you.

You can make your fundraising efforts more successful by posting pictures of yourself training and including some personal details. Please feel free to dedicate your Miles For Gold journey to/in honor of someone.

You can increase your fundraising capabilities even more by posting frequently on social media and by keeping a blog of your training efforts. The Olivia Caldwell Foundation will happily set you up with a free blog.
